

## Observation form

### **Instructions:**

1. Record the participant's name (if allowed), age, and experience.
2. Note the start time.
3. Note the number of clicks the participant needs for each task.
4. Inform the participant that they can begin.
5. Pay attention to the start and completion of each task to record the time it was completed.
6. Once everything is finished, record the number of minutes in the time column.
7. Note comments regarding each task in the comments column.
8. Note the end time.
9. Calculate the total minutes at the bottom.
10. Calculate the total number of clicks.
11. Record general observations.
